Work Experience

Yodel July 2024 – Present:

I work as a courier, ensuring parcels get delivered 6 days a week and meeting new people.

I help to develop the software that couriers use to deliver parcels.

Buzz Bingo June 2021 – August 2024:

I worked as a host, ensuring customers met their needs while playing bingo and the slot machines.

I used a CRM system to insert and edit customer details into the member's database.

I repaired the slot machines as best as I could.

Evri January 2020 – June 2021:

I worked as a courier, ensuring parcels get delivered 6 days a week and meeting new people.

Headway February 2017 – October 2020:

I worked as a carer helping people with Acquired Brain Injuries live their lives in the best possible way possible.

Advantage Healthcare Ltd April 2011 – March 2012 and February 2013 – February 2017:

I worked as a carer doing a variety of different care activities ranging from personal care for clients to setting up home dialysis machines.

Bethphage March 2012 – February 2013:

This was a secondment working with people who have severe learning disabilities and mental health issues who came back to Shropshire from out of the county.
